

EXTRACT OF TENDERING NOTICE

The Autorità Garante della Concorrenza e del Mercato has issued, by the resolution No. 233 of 8 November 2011, a call for tender by open procedure below the EU threshold for the development and delivery of basic training courses in computer forensics for antitrust case-handlers, as foreseen in the project “European Antitrust Training and Exchange Programs in Forensic IT (EATEP_FIT)” (ref. HOME/2010/ISEC/FP/C2/4000001438), in the period January 2012-July 2014, for a total expenditure estimated at EUR 167,000.00 plus VAT. Service category: Cat 07.

Tenders must be received no later than 4 p.m. of the day 18 January 2012 by the Registry (“Protocollo”) of the the Autorità Garante della Concorrenza e del Mercato, Piazza Giuseppe Verdi 6 A - 00198 Rome (Italy).

Bids will be opened on the day 19 January 2012 at 10:00 a.m..

The legal representatives of economic operators involved will be allowed to attend the opening of tenders. For the purposes of adjudication, the economic operators are bound by the bid for a period of 120 calendar days subsequent to the deadline for submission of tenders (18 January 2012). The award will be made by the criterion of the most economically advantageous tender pursuant to Article 83 of Legislative Decree 163/2006. CIG 3551633444.

The tender documents are available on the buyer profile (“profilo di committente”) of the Autorità Garante della Concorrenza e del Mercato: www.agcm.it.
